

Socratic Seminar- How am I graded?

1. Poses an appropriate high- level, open-ended question to continue to discussion
2. Paraphrases students' comments and responds with evidence or insight
3. Synthesizes content to an era in history where this has had an impact.
4. Participates in a proper manner with facts backed by citations from primary sources.

You can lose points by not following the behavioral norms of Socratic.

Outside Circle should be filling out your sheets as you listen
